From the Director

Welcome back to the theatre!

We are so excited to be finally sharing this iconic musical with you. *Annie Jr* is guaranteed to put a smile on your face and a song in your heart.

We are extremely proud of the hard work and dedication of our Face Academy students. We have been truly inspired by their open-mindedness, resilience, and willingness to adapt to the challenges and uncertainty posed by the recent fifth wave of COVID-19. We are all very glad to be in front of a live audience once again.

There will be three talented casts performing this weekend, so if you want to catch it again, grab your tickets while they're still available!

Synopsis

With a perfect combination of street-smarts and optimism, Annie warms the hearts of the audience as we witness her rise from next-to-nothing to happiness and security in New York City. She is determined to find her parents, who left her at the orphanage years ago. However, things don't quite work out the way she has planned. She does however thwart the plans of the evil Miss Hannigan and finds a new family with billionaire Oliver Warbucks, secretary Grace Farrell, and her lovable pooch, Sandy.

THE THEATRE EXPERIENCE

A thrilling week of acting, voice and movement along with practical workshops in puppeteering, costume design, make-up design and props making, themed after the sinister, cautionary tales of Heinrich Hoffman's Shockheaded Peter. Through exaggerated storytelling, the chilling consequences of misbehaviour are exposed with subversive, and often, ghoulish effect.
