WELCOME TO CHICAGO!

Set in the roaring 1920s, *Chicago* is a wild ride through a world of crime, media circus, and show business. The story follows Roxie Hart, a housewife and nightclub dancer who murders her lover after he threatens to walk out on her. Desperate to avoid conviction, she dupes the public, the media, and her rival cellmate, Velma Kelly, by hiring Chicago's slickest criminal lawyer, Billy Flynn. Flynn transforms her malicious crime into a barrage of sensational headlines, turning Roxie into a media darling.

Filled with jazz, fame, and flashy dance numbers, this satirical comedy explores how the justice system can be turned into a circus, and how criminals can become stars overnight
