

Example of song:

Colours of the Wind

You think you own whatever land you land on
The Earth is just a dead thing you can claim
But I know every rock and tree and creature
Has a life, has a spirit, has a name

You think the only people who are people
Are the people who look and think like you
But if you walk the footsteps of a stranger
You'll learn things you never knew, you never knew

Have you ever heard the wolf cry to the blue corn
moon
Or asked the grinning bobcat why he grinned
Can you sing with all the voices of the mountain
Can you paint with all the colors of the wind
Can you paint with all the colors of the wind
